

The following reference, **DOE, 2001a**, is unavailable to the public in an electronic format due to security sensitivity of some of the information within the document.

DOE will continue to provide hard copies as available of all its NEPA documents to people upon request. If you would like to request the document, you may do so by e-mail to [denise.freeman@hq.doe.gov](mailto:denise.freeman@hq.doe.gov) or by leaving a message on the toll-free information line at 1-800-472-2756. Your request will be directed to the responsible DOE office.

For additional information regarding DOE NEPA documents unavailable in electronic format, please visit the DOE NEPA Document website at [http://nepa.energy.gov/DOE\\_NEPA\\_documents.htm](http://nepa.energy.gov/DOE_NEPA_documents.htm). Direct access to listing of DOE NEPA documents not electronically available to the public can be accessed at <http://nepa.energy.gov/1061.htm>.
